

### **Blackpool Corporation – Bulletin 345/16**

**Colin Fountain** reports "BC" (B1150.05M) on 1d KGV Downey Head, pmk (Bla)ckpool, May 1912, and **Joe Dooley** has ½d (ye-gn) & 1d both with Blackpool postmark. The ½d value is dated 5th Aug 1910. So it would appear that Blackpool Corporation did use the die 1910-1912, which partially fills in one of the gaps in the suggested sequence.
